

LAKELAND SEPTA

Lakeland's *District Wide* Special Education PTA

Our mission: to protect our children and empower our parents and teachers

Please join us at our March meeting:

“Building Financial Security for a Family Member with Special Needs”

Littman Krooks LLP partner Amy O'Hara will be presenting on the ABLÉ (Achieving a Better Life Experience) Act and Special Needs Trusts

Date: Tuesday, March 27, 2018
Location: Lakeland High School Library
1349 East Main Street, Shrub Oak, NY
Time: 7:30 PM

Learn how **ABLE accounts** can create a pathway for a better economic future for individuals with disabilities. ABLÉ accounts can be set up for maintaining health, independence and quality of life, while protecting eligibility for Medicaid, Supplemental Security Income, and other important federal benefits for people with disabilities. Learn the latest rules and how these accounts can be established.

Special Needs Trusts, also known as supplemental needs trusts, are an essential tool in planning for the future of your child with special needs. Special needs trusts allow families and trustees to hold funds for the benefit of individuals who cannot manage money on their own.
